

Honeywell Literature

Honeywell allocates \$1,000 per year to each company for free literature. Once you hit the \$1,000 mark, your company has to start paying for it. Delivery is included in the \$1,000 budget. You will see your balance when you get set up and logged in. Follow the instructions on the remaining pages. Take advantage of this opportunity to grow your business!

Bigger, Better Literature Site

If you have not visited the site to order literature since we updated it in spring 2012, new registration is required.

Go to www.Literature.Honeywell.com click 'Register Now'

The screenshot shows the Honeywell Literature website. At the top, a red banner reads "Environmental & Combustion Control" next to a small image of a person. Below this, the heading "Bigger, Better Literature Site" is displayed in red. A paragraph of red text explains that the site has been updated and that new registration is required. Two main sections are visible: "NEW USERS" with a blue "Register Now" link, and "ALREADY REGISTERED" with a blue "Order Literature" link. A red arrow originates from the text "click 'Register Now'" in the top instruction and points directly to the "Register Now" link.

Environmental & Combustion Control

Bigger, Better Literature Site

Honeywell has a new, updated site for ordering literature. If you have not visited the site to order literature since we updated it in spring 2012, new registration is required, even if you've been registered for the old system. It only takes a moment, so register today and put the new site to work for you.

The screenshot displays the Honeywell Forward Thinking website. At the top, the 'FORWARD THINKING' logo is on the left, and a search bar with 'Honeywell' and links for 'Press Room' and 'Contact Us' is on the right. Below the logo is a navigation menu with links: HOME, PRODUCTS, VIDEOS, DEMOS & APPS, WHAT'S NEW, CONTRACTOR PRO, TRAINING, and FRANÇAIS. The main banner features the headline 'the easy way to retrofit and control electric heat' with the subtext 'EConnect™ Wireless System' and an image of a thermostat. Below the banner is a row of category links: TOTAL CONNECT SERVICES, PRESTIGE 2.0 COMFORT SYSTEMS, ECONNECT THERMOSTATS, and AQUAPUMP CIRCULATING PUMPS. The 'Products' section is divided into two rows of icons with labels: Thermostats, Zoning, Accessories, Humidification, Filtration, UV Treatment, Water Solutions, Universal Parts, Ventilation, and Dehumidification. To the right of the products is a 'Miss The Webcast?' section with the text 'Get connected with the latest innovations from Honeywell!' and a 'WATCH IT NOW' button. Below the products section are three promotional boxes: 'Contractor PRO™' with the text 'Your business counts', 'TrueCLEAN™ Offer' with 'FREE Replacement Filter with Every TrueCLEAN Purchase!', and 'Humidifier Program' with 'Partner with Honeywell to sell more humidifiers'. At the bottom, there are two more sections: 'The New Path To Profit' with 'Contractor business training designed to drive profitable business growth' and 'Training & Resources — Online & Hands-on' with 'From Homes U to the RedLINK Library, Honeywell offers a wide range of world-class training solutions to meet your needs.' and a 'click here to find the right training for you' button.

Next time you want to order literature, go to www.literature.honeywell.com and click 'Order Literature' and login to your account.

**Make sure to check your remaining balance. Once you exceed your \$1000 budget, you have to pay with your credit card.*

The image is a screenshot of a website for Honeywell's literature ordering system. At the top, there is a red banner with the text "Environmental & Combustion Control" in white. Below the banner, the main heading "Bigger, Better Literature Site" is displayed in red. A horizontal line separates the heading from the main text block. The text block contains a red paragraph stating that the site has been updated and that new registration is required. Below this, there are two sections: "NEW USERS" with a "Register Now" link, and "ALREADY REGISTERED" with an "Order Literature" link. A black arrow points from the top right of the page down to the "Order Literature" link.

Environmental & Combustion Control

Bigger, Better Literature Site

Honeywell has a new, updated site for ordering literature. If you have not visited the site to order literature since we updated it in spring 2012, new registration is required, even if you've been registered for the old system. It only takes a moment, so register today and put the new site to work for you.
