

Price and Availability

Login to your account.

The screenshot shows the Honeywell website interface. At the top, there is a navigation bar with the Honeywell logo and 'Environmental & Combustion Controls'. Below this is a search bar with a 'go' button and radio buttons for 'Material Number', 'Content', and 'Cross-Reference'. A main navigation menu includes 'PRODUCTS', 'SUPPORT AND RESOURCES', 'TRAINING', 'NEWS AND EVENTS', 'CONTACT US', and 'HELP'. A large red banner reads 'Welcome to the new website!' and lists new features like 'Logging in and setting your communication preferences'. Below the banner are three main service tiles: 'Place an Order' (with a 'go' button), 'Log In' (with a text input field containing 'e523934' and a 'go' button), and 'New User?' (with a 'register' button). To the right is a 'smart search' section with a search box and a 'what is smart search?' link. At the bottom, there are three smaller tiles: 'product details', 'my account', and 'support & resources', each with an image and a 'search for products', 'visit my account', or 'see more support & resources' link respectively.

Price and availability follows a slightly different process as we are now able to pull real time information which has improved the accuracy or the information we are displaying.

Start by entering items into your shopping cart by clicking on your shopping cart

You can also start by using the quick order form, product catalog or uploading a spread sheet using the file upload button.

To search the product catalog either type a partial part number in the search field or browse by product category.

The screenshot shows the Honeywell website's product catalog. At the top, there is a navigation bar with links for 'my account', 'homeowners link', and 'honeywell.com'. A user is logged in as 'Nikki Heinrich'. A search bar is present with the text 'Search field' and a 'go' button. Below the search bar, there are radio buttons for 'Material Number', 'Content', and 'Cross-Reference'. A shopping cart icon shows '0 item(s): \$0.00'. The main navigation menu includes 'PRODUCTS', 'SUPPORT AND RESOURCES', 'TRAINING', 'NEWS', 'CONTACT US', 'ORDER CENTER', and 'HELP'. The 'PRODUCTS' menu is expanded, showing three columns: 'Commercial', 'Industrial', and 'Residential'. The 'Commercial' column lists various products like 'Actuators and Motors', 'Air Quality', 'Boiler Controls - Commercial', etc. The 'Industrial' column lists 'Installation Tools and Materials', 'LAR Commercial Components', etc. The 'Residential' column lists 'Air Cleaners', 'Boiler Controls - Residential', 'Contactors', etc. A box labeled 'Product Category' has an arrow pointing to the 'PRODUCTS' menu item.

Once we have items in the shopping cart we will need additional information to determine the availability. For example if we have an immediate need for a product, we will have to select Emergency Must Ship Same Day (**NEXT DAY AIR FRIEGHT CHARGES MAY APPLY**). This automatically populated the request date on each item to today's date.

Ship Order Complete

EMERGENCY Must Ship Same Day
Order must be placed prior to 1 PM CST. Emergency orders placed after 1 PM CST will not ship until the next business day. Ball Valves and Damper orders require a minimum of 3 business days to process. No same day shipments. Damper orders – order must be placed by 11 AM CST for next business day shipment. If placed after 11 AM CST the order will not ship until the 3rd business day from the date of entry.

Note on Ship Sets: Please note that materials shipping from different warehouses will not be shipped together regardless of their Ship Set.
Note on Pricing: Please note that quantity related price discounts may only be available on the Order Review page.

We then enter our shipping information the address will default to the address associated with your account. If you would like to select a different address click on enter a new address.

Next you will select the shipping method. Default shipping method is best way available, or you can select a carrier for expedited shipping.

Now you enter a PO number into the system which is required to receive availability. Order will not be placed until you submit.

The screenshot shows the Honeywell website's ordering process. At the top, there is a search bar with the text "Enter Keyword(s) or Material #" and a "go" button. Below the search bar are navigation links: PRODUCTS, SUPPORT AND RESOURCES, TRAINING, NEWS, CONTACT US, ORDER CENTER, and HELP. The main content area is titled "Home > Billing" and shows a progress bar with four steps: Step 1 Shipping Information, Step 2 Payment Information (highlighted in red), Step 3 Order Review, and Step 4 Order Confirmation. Below the progress bar, the "Payment Information" section is displayed. It contains the instruction "Fill in the fields below to complete your payment information." and a "Payment Method" section. Under "Payment Method", there are two options: "Pay by Purchase Order" (selected) and "Pay by Credit Card". The "Pay by Purchase Order" option has a "PO Number*" field with the value "Test" entered. A callout box labeled "Enter PO Number" has an arrow pointing to the "PO Number*" field.

Click Next to proceed to the order review screen. You are not placing an order at this time.

The screenshot shows the "Billing Address" step in the ordering process. It features a "Company Billing Address" section with the following text: Ferguson Enterprises Inc, PO Box 9406, Hampton, VA, 23670-0406, UNITED STATES. Below this section, there are two buttons: "Previous" and "Next". A callout box labeled "Click Next" has an arrow pointing to the "Next" button.

From here we can confirm the information we have selected on prior screens.
