

Resideo Braukmann
FK06 DialSet®
Pressure Regulating
Filter Combination

TWO SOLUTIONS. ONE INSTALLATION.

It's better for homeowners –
and easier for you.

Faster, simpler installation. Count on it with the two-in-one Resideo Braukmann FK06 DialSet® Pressure Regulating Filter Combination. For homeowners seeking both a pressure solution and a sediment filter, you save time by installing them as one unit. The FK06 maintains constant outlet pressure and ensures a continuous supply of filtered water throughout the home, keeping your customers comfortable.
