# Honeywell Home

# Help your customers achieve whole home comfort

T10+ Pro Smart Thermostat with RedLINK® 3.0

## Why

Enhance your customers' comfort by evenly balancing the temperature across their home.
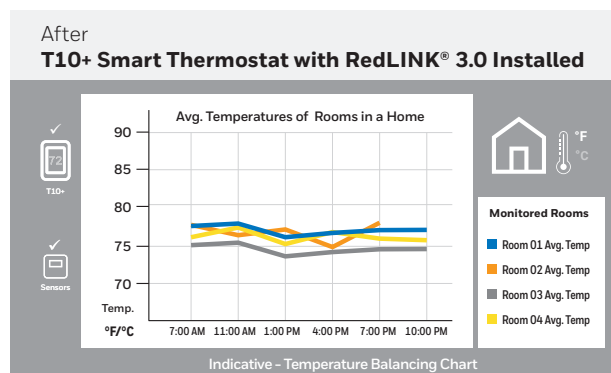

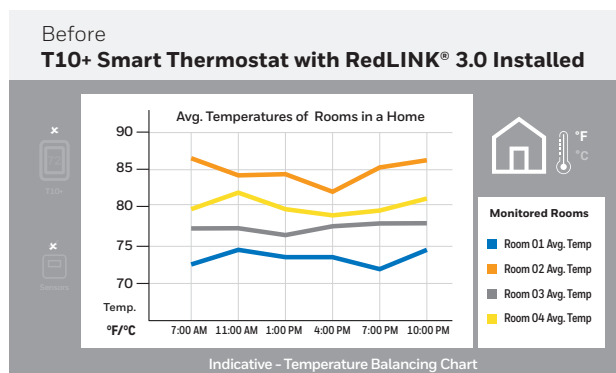

## How

The T10+ smart thermostat with RedLINK® 3.0, combined with remote sensors, offers advanced technology to adjust thermostat and blower fan settings to optimize comfort and energy use. A desired temperature level is achieved by evenly circulating the air across the rooms without heating or cooling.

# Too hot here. Too cool there.
