

First Alert Indoor Video Camera CAMW-WI

Experience the epitome of indoor surveillance with VX5, our indoor video camera. This cutting-edge device is equipped with advanced event detection capabilities, ensuring that every movement is accurately identified - whether it's a person, a pet, or a vehicle. Customers can say goodbye to the hassle of unnecessary notifications and interruptions often associated with simple motion detection systems.

Homeowners can capture every detail with clarity and precision using our high-resolution 2MP Camera featuring Wide Dynamic Range (WDR). Vibrant, lifelike video for both live monitoring and recorded playback ensures they never miss a moment. The automated privacy mode allows end users to decide when they want the selected area to be viewable or recorded. With just a glance, ensure your privacy remains intact without compromising on security.

CAMW-WI

Features & Benefits
