

GLOWFLY® & GLOWFLY® PRO UNIVERSAL HOT SURFACE IGNITERS

Our Glowfly® family is compatible with a wide range of brands and the oldest of furnaces. Easy to maneuver in tight spaces, the Glowfly® makes installation a smooth process. You'll be able to streamline replacements and stock up on one universal hot surface igniter.

Installs Made Fast and Flexible

Universal Compatibility. Simplify Your Stock.

Glowfly® & Glowfly® Pro hot surface igniters are all about simplicity. Reduce your inventory by stocking the only hot surface igniters you'll need. For quick installation in tight chambers use the original Glowfly® – or, when the situation calls for a larger igniter, try the Glowfly® Pro.

TOUGHER TECHNOLOGY HELPS REDUCE REPLACEMENTS

Silicon nitride is a second-generation material – far more durable than OEM igniters – making the Glowfly® less prone to breakage on challenging installs. The technology can even be used in the oldest furnaces.

EASIER FIT, FASTER JOB

These products is designed specifically for service replacement jobs, enabling quicker service calls.

STRONG WARRANTY, REPUTABLE COMPANY

Both the Glowfly® and Glowfly® Pro are backed by a 3-year warranty from Resideo.

CUSTOM BRACKETS FOR FLEXIBILITY

Every model includes 6 custom mounting brackets with 7 configurations, making it easy to replace 110+ igniters from nearly every furnace manufacturer. The Glowfly® packaging provides visuals to match the correct bracket to the igniter being replaced.
